This is very good weather for

Cured at a Cost of 25 Cents

"Eight years ago when we first  
moved to Mattoon, I was a great  
sufferer from indigestion and  
constipation," writes Mrs. Rob-  
ert Allison, Mattoon, Ill. "I had  
frequent headaches and dizzy  
spells, and there was a feeling  
like a heavy weight pressing on  
my stomach and chest all the time.  
I felt miserable. Every morsel  
of food distressed me. I could  
not rest at night and felt tired  
and worn out all the time. One  
bottle of Chamberlain's Tablets  
cured me and I have since felt  
like a different person."—adv.

## \$30,000,000 Must Be Cabled to Western Asia

This is not the leisurely collection of a fund, but an in-  
sistent, ringing alarm which must echo in every home  
and awaken instant response.

The countries of Western Asia—many thousand popu-  
lous square miles—are one vast, aching field of utter  
desolation, starvation and death.

In famine-stricken Armenia, Syria, Persia and Greece,  
gaunt hunger is killing innocent people by the thousand  
—carrying off the last survivors of these once-powerful  
races of the Near East.

The Turk has been shorn of his power and this can never  
happen again. But the desperate need of the hour  
calls for immediate relief.

Funds must be provided to buy food and clothing, to  
rebuild homes, as well as to provide seed, implements  
and live stock. With the harvest of 1919 the immediate  
crisis will be over. Until then, America must help.

This is the real test of the charitable bigness of America's  
heart—this is the real chance to prove America the  
foster-mother of nations in the making.

Five dollars will keep one of these poor people alive a  
month—sixty dollars a year.

Save the wretched, pitiful thousands of these kindly  
peoples. Give as if they were your own. Give today!
